This volume lists the unique codes assigned by the Department of Education to all postsecondary institutions (public, private, and proprietary) participating in the student aid program under Title IV of the Higher Education Act. The list is organized by state, and alphabetically by institution within each state. Introductory information details how students should use the guide to complete a 1998-99 Free Application for Federal Student Aid (FAFSA), a renewal FAFSA, a FAFSA Express, or a FAFSA on the Web application. Each listing includes the school's official Title IV school name, address, and code. (DB)

SUMMARY: The Title IV School Code List of Participating Institutions for the 1998-99 Award Year.

Dear Colleague:

Enclosed is the 1998-99 Title IV School Code List containing the unique codes assigned by the Department to all institutions participating in the Title IV student aid programs. The list is organized by state, and alphabetically by institutions within each state.

These codes will be used by students applying for financial aid with the 1998-99 Free Application for Federal Student Aid (FAFSA), a 1998-99 Renewal FAFSA, a 1998-99 FAFSA Express, a 1998-99 FAFSA on the Web, or a 1998-99 Renewal FAFSA on the Web application. The FAFSA instructs students to list the colleges they wish to receive their application information by name and by Title IV Code, and to check with their college financial aid office, the high school counselor's office, or the public library to look up the Title IV code.

Use of the Title IV code will significantly improve the student's ability to communicate college identifications accurately, will avoid errors caused by confusion over similar college names, and speed application processing.

Please make this list available for inquiries from students. If you would like an additional copy of the Title IV School Code List please call 1-800-433-3243 or you can do an on-line search from the Department of Education's Web Page at:

http://www.ed.gov/offices/OPE/Students/t4_codes.html

If you have any question about the list, please contact the Application Processing Systems Division at (202) 401-7569.

Sincerely,

Elizabeth M. Hicks

USING THE TITLE IV SCHOOL CODE LIST

The Title IV School Code List that follows is intended as a resource for anyone who is completing a 1998-99 Free Application for Federal Student Aid (FAFSA), a 1998-99 Renewal FAFSA, a 1998-99 FAFSA Express, a 1998-99 FAFSA on the Web, or a 1998-99 Renewal FAFSA on the Web application. When answering 1998-99 FAFSA college name and address questions, you should use the official Title IV school name and code found in this list to ensure fast and accurate processing. You can also access the Title IV School Code List on the Department of Education's Web Page at :

http://www.ed.gov/offices/OPE

You can use the 1998-99 FAFSA Express software to apply for financial aid and the FAFSA Express software can be downloaded from the same address. The FAFSA Express software contains the Title IV School Code List and you can use it to do a search for a particular school and its code.

All postsecondary schools that are currently eligible for Title IV aid are listed in the Title IV School Code List, with each school's official Title IV school name, address, and code. The schools are listed first by state and then alphabetically by name within each state. Procedures for completing the FAFSA college name and address questions are listed below.

For each school that you wish to list in question 90, 92, 94, 96, 98, and 100 of the 1998-99 FAFSA, do the following:

1. Find the correct state of the desired school, using the appropriate state name.

2. Find the **exact** name and address of the desired school within the state listing. **Names of schools may be similar. Please be certain you have found the exact school name and address before proceeding.**

3. On the FAFSA, write the name of the school under "College Name." The name must exactly match the one you have found in the Title IV School Code List.

4. Write the six-character Title IV School code in the spaces provided under "Title IV Codes." **You do not have to include the address.**

5. Add housing codes for each school according to the directions on the FAFSA.

6. Repeat procedures 1 - 5 for each desired college, up to a maximum of six.

Please note that if the Title IV school name or code for a desired school is listed incorrectly on your FAFSA, *the processing may be delayed.*
